# **OSRAM**

## XENARC NIGHT BREAKER UNLIMITED

Brightest OSRAM xenon light

## Up to 70% more light

For better visibility and significantly shorter reaction times compared to standard xenon lamps

## Up to 20 m longer light beam

For improved visibility and less eye strain compared to standard xenon lamps

## Up to 5% whiter light

For fatigue-free and comfortable driving compared to standard xenon lamps

## The most powerful xenon light from OSRAM

XENARC NIGHT BREAKER UNLIMITED is the brightest OSRAM xenon light for trucks. This powerful lamp with efficient xenon technology generates a maximum of light on the road: up to 70% more than standard xenon lamps. This means better visibility and more time to react. Added to this is the 20 meter longer light beam and up to 5% whiter light compared to standard xenon headlight lamps. Discover the pure performance of XENARC NIGHT BREAKER UNLIMITED - the most powerful xenon light from OSRAM. Please note: XENARC lamp change is recommended to be carried out by a professional.

## Safety advice

XENARC lamp change is recommended to be carried out by a professional.

## Legal advice

ECE approval

## **Application advice**

For more detailed application information and graphics please see product datasheet.
