

# WIPERblades BETTER SIGHT

## WIPERblade BETTER Sight

### Nano-Tech

Composite ensures long-lasting performance, silent working, and edge durability in all temperatures and weather conditions

### High Carbon Steel Inlay

Ensures even pressure, strong windshield contact, and streak-free performance, engineered with OSRAM innovation

### Aerodynamic design

Delivers even downforce, reduces noise and juddering, and ensures stable performance at all speeds

### Premium Universal Wiper Blades for Streak-Free Windscreen Clarity

Meet the ultimate all-weather beam blade wipers that combine OSRAM's cutting-edge innovation and engineered quality to enhance automotive visibility. OSRAM WIPERblade BETTER SIGHT Beam Blade wiper blades offer a host of premium features:

Advanced Nano-Tech composite rubber ensures long-lasting durability and streak-free wiping performance in all weather conditions.

High-carbon steel flexor inlay snugly conforms to curved windcreens, applying even pressure across the glass for a uniform, streak-free wipe.

Streamlined aerodynamic profile with an integrated spoiler minimizes wind lift and wind noise, delivering quiet wiping even at highway speeds.

Multi-Fit universal mounting system with tool-free adapters fits most of European vehicles, providing quick and hassle-free installation of these universal wiper blades.

### Clarity and Quiet Performance:

These streak-free windscreen wipers ensure a crystal-clear view of the road ahead, even during heavy rain or snow. The smooth, chatter-free operation reduces distractions, while the all-season blade materials maintain flexibility in extreme cold and heat for reliable performance year-round. Together, these advantages allow you to drive more comfortably and confidently in any weather.

### OSRAM – A Legacy of Automotive Safety:

For over 110 years, OSRAM has been a trusted name in automotive lighting and innovation. That legacy of quality and reliability lives on in OSRAM WIPERblade BETTER SIGHT Beam Blades – premium multi-fit windshield wipers engineered to keep your windshield clear when it matters most. Don't settle for ordinary wipers – upgrade to OSRAM's premium beam blades today and experience BETTER SIGHT on every journey. Drive with confidence, knowing that OSRAM innovation is keeping you safe on the road.
